

REMARKS

Entry and consideration of this Preliminary Amendment are respectfully requested prior to or concurrent with calculation of the filing fees.

The present application is a division of parent application U.S. Serial No. 10/083,384, filed February 27, 2002. Accordingly, a cross-referencing statement has been added to the specification.

As to the claims, first, claim 1 has been cancelled. It is being prosecuted in the parent. Second, claim 2 has been amended to place it in independent form by incorporating the subject matter of claim 1 therein. Claims 3 and 4 have been amended in a minor editorial manner. These amendments to claims 2-4 are not believed, and are not intended to, narrow the original scope of these claims.

Respectfully submitted,  
SMITH GAMBRELL & RUSSELL, LLP
